

SURVEY SOFTWARE EVERYONE CAN USE

If you need to collect data, analyze the results, and create professional reports – this software lets you do it all. Key Survey is loaded with ready-to-go templates to get you started fast – or easily build your survey from scratch. Customise it with your logo and favourite colours. Then show off your results in text and graphs. There's no software to download. No technical skills required. Best of all, online Live Support is available 12 hours a day and is always free.
